YOU ARE INVITED

29.August.2019

Dear Fellow Germainites,

Greetings from the OBA of St. Germain High School Bengaluru.

On the occasion of the 75th Platinum Jubilee Year of the school, and our 70th AGM and OBA DAY 2019, we the OBA Committee would like to invite you on behalf of the entire OBA to our celebrations on 29.September.2019 at the school premises.

The brief program is below:

07:45 hrs	Holy Mass in the Chapel
08:45 hrs	Breakfast
10:00 hrs	OBA AGM
11:00 hrs	Group Photo

followed by OBA Vs Present Students Tennis Ball Cricket Match Fellowship and Lunch thereafter.

Change is inevitable, Memories are constant!

Over the years we build on memories. Those that touch us, and those that leave us bitter. The only thing we can cling on to are these memories. As we have grown older, we wish we had more time in our youth or past..... a common feeling among us all.

So also, in our school life, we started with something and ended up with something totally different. Be it in the academic field, the sports arenas, with our teachers, our school, its rules, the logos and the various heads who took us from A to Z in different and sometimes unique or unconventional ways. The constant here were our memories of our friends, our school, our playground and so on. We each associated our life to that year or era.

As a result, when we see change today, be it good or bad, we react, not realizing that times have changed; the younger generations have evolved in the school and they are now making their own memories, which are so different from ours then. The only constant again are the memories of the school.

As much as we resist the change, we cannot change the situation or people who make these changes. However, we can all come together as a family with our experiences and memories and share them with others who have their own to share, and bond over the common factor – Our Alma Mater!

This we want to experience in the school this year, for its 75 years of educating young minds like us and making us what we are in whatever way they knew or know. Also, our own OBA celebrating its 70th year is in itself a wonderful feeling.

Let the old meet the new at our AGM and OBA Day and let's mingle in the true Germainite Spirit and have a great celebration!

Thank you dear Germainites for your support in making this a success.

We would request all batches to come in large numbers. To make the memory even better, we will be awarding a special prize for the largest batch in attendance at the OBA Day.

Cheers and see you all soon.

Regards
